

## Before School Care (BSC) & After School Care (ASC) (2011-2012)

The BSC and ASC programs are services provided to parents who need assistance with their children due to **employment conflicts**. **Only** students who meet this criteria may utilize this assistance. BSC and ASC are independent of each other and managed by different staff members.

**Payment of fees:** In order to use the After and/or Before School programs, a deposit of **\$100.00** per family must be made into your account. This deposit will be used to cover \$100 of usage in either program. An invoice will be issued with each **progress report** and **report card** showing charges incurred. Balances are due within 5 days of receipt of invoice. Failure to make payment on your account will result in the termination of your enrollment in the program. Mrs. Golemi will handle all accounts until payments are past due. All past due accounts will be turned over to Mr. Butera for collection.

In the memo section of your check, please indicate “ASC or BSC” and your account number, so that your payment may be credited properly.

However, if your children do not have an account, you will be required to pay for the services rendered **immediately** upon use via check made payable to Lake Castle Private School. Please call Nancy Golemi if you have any questions concerning your account.
