

Catch the Flight Spirit Club

PK – 8th Grades

Show your Jet spirit by becoming a member of “Catch the Flight, Soar with the Jets” spirit club. It’s simple and easy to join.

Our spirit club “Catch the Flight” coordinators (5th-8th graders) will be holding various on-campus spirit competitions throughout the school year such as:

- **You’ve Been Tagged:** Class that has the highest percentage per quarter of students in their respective homerooms wearing their name tags/badges daily.
- **Most Spirited Class:** Class that has the highest percentage of accomplishment by attending sporting events, collecting the most cans for the food drives, bringing in the most newspaper for the recycling program (Helping Hands club), collecting the most stamps for our veterans, etc.
- **You’re the Tops:** Class that collects the most pop tops per quarter for the Ronald McDonald House (Helping Hands club).

The classes winning the spirit award for these competitions will earn the privilege of wearing their spirit shirts to school at a set designated time. Students and parents are also encouraged to wear these spirit shirts to various sporting events during the year to support our Jets. In addition to these events, we will also set a day for students to wear their shirts to school if our athletic or academic teams advance to championship competition.

If you wish to be a member of the Catch the Flight spirit club, please fill out the form below to purchase our “Catch the Flight, Soar with the Jets” spirit t-shirt. Shirts will be distributed to the oldest/only child. Forms are to be returned to Mrs. Harvey’s office by **Monday, August 22**. Parents, you can show your LC school spirit at school events by wearing the LC spirit t-shirt as well! T-shirts are the same as last year (2010-2011). You only need to purchase a t-shirt if you don’t have one or if you have outgrown the one from last year.

Be a member of the most spirited school club! You don’t want to miss the flight!
