

The Lake Castle Parents' Club (LCPC) would like to welcome you to the 2025-26 school year as Lake Castle Madisonville celebrates the 31st year of providing excellence in education. The LCPC is a non-profit organization with a purpose to enhance the educational experiences of children attending Lake Castle Madisonville. We strive to do so by providing supplemental learning aids and supplies as well as generating revenues that the school can use for physical campus improvements.

How does LCPC accomplish our goals? The success of LCPC is dependent upon our Lake Castle Madisonville family including parents, grandparents, faculty and area businesses. This includes financial support as well as the donation of time at LCPC-sponsored events and service on committees.

How can YOUR family get involved? While LCPC Membership is not mandatory, we desire for each family to become a member of the LCPC by either joining for the first time or renewing their annual membership. Once membership is established, you don't have to stop there! We invite you to look for opportunities where your time and talent may be utilized in a meaningful way. We have several committees that need assistance at various times of year.

If committee service is not for you, we still need your help!

- Does your family own or operate a business? We'd love to find ways to partner with you!
- Are you willing to help with school-wide events, by providing supplies that are needed? Let us know.

We are pleased to announce the following events for 2025-26.

Uniform Resale	LCPC Membership Drive	Spirit Shirts	LC Merchandise
(Golf Tournament)	Charleston Wrap	Smoothies	Jet Fest
Feats for Funds	Perino's Poinsettias	(Need holiday shop)	Spring Book Fair
Jets Soiree Sponsorship	Jets Soiree Tickets/Auction	Easter Raffle	Family Bingo

Why does YOUR family matter? The recurring, annual expenditures of LCPC directly impacts each Lake Castle Madisonville family. We are unable to fulfill our mission without your help.

- Did you know that LCPC provides the salary for our full-time School Resource Officer? Safety is a number one priority at Lake Castle Madisonville. The LCPC gladly stepped in to bridge the gap of this expense.
- Many years ago, the LCPC Board had a vision to build our Jet Center. Everyday it is utilized by the school's students and faculty. In an effort to subsidize the ongoing Jet Center expenses, the LCPC has partnered with Lake Castle Madisonville to lower costs.
- Lake Castle Madisonville loves their school family! LCPC is happy to provide for events such as 8th Grade Brunch, Teacher Appreciation Breakfast and Luncheon and End of Year Snowballs at Lower Elementary Field Day & Upper Elementary Picnic.
- Past projects completed by the LCPC are the Jet Center, elementary playground, aluminum lunch tables, new fans under the pavilion, picnic tables & umbrellas, property fencing/signage/parking lot maintenance, landscaping, Jet Center sound system, covered walkway, updated intercom system, and most recently, the elementary playground cover with new landscaping and pole wraps for safety.

We have much work to do, and we are excited for the school year ahead! Join us at our **Fall LCPC Meeting on October 15 at 6:00 pm** in the Jet Center. Please be on the lookout for email correspondence from LCPC, as well as news on our Lake Castle Parents' Club Facebook Page.

Thank you.
